Re: In re Debra Marin
Case No: 12-23649
Our File No: 36676

Dear Judge Drain:

Enclosed please find the Joint Trial Notebook.

I sent the Joint Trial Notebook to counsel for the claimant yesterday and was advised to add the Affidavit for Carla Marin and Receipts that would be forthcoming.

I emailed counsel requesting a copy of the Affidavit she was referring to, attempted without success to contact her today regarding same and the "Receipts", reviewed the Docket Report and could only locate one Affidavit responsive to the Objection and have attached it hereto on behalf of claimant.

All Affidavits and documents in the Trial Notebook have been previously filed by the respective parties on ECF.

Very truly yours,
